How long does the experience take?

Each escape room experience lasts 90 minutes, including briefing and debriefing time.

Are all corporate bookings private?

Yes. All corporate bookings are private. Your team will have the entire escape room to yourselves.

Can first-time players participate?

Absolutely! Our games are designed for all experience levels. No prior escape room experience is needed.

Can larger groups compete?

Yes. Larger groups can be split into multiple rooms and compete head-to-head for an exciting team challenge.

Do you offer accommodations for guests with special needs?

We may be able to. Please call us in advance to discuss your group's specific needs and whether we can accommodate.

When should our team arrive?

Please arrive 15 minutes early to check in, get briefed, and start your experience on time.
